Bienvenue à Ville de SAUMUR

Le Saumurois terre de traditions équestres et de complet est heureux d'accueillir sur son site emblématique de Verrie une épreuve internationale d'endurance.

Ce site dédié depuis des temps immémoriaux à la discipline du complet et aux courses hippiques réputées pour ses cross et steeple-chases se veut dorénavant ouvert à toutes les pratiques sportives équestres ou non.

Le projet « Cheval et Nature » porté par la toute nouvelle Société Publique Locale L'EQUESTRE que j'ai l'honneur de présider s'inscrit dans un équilibre entre l'utilisation des espaces et la préservation de la faune et la flore qui s'y trouvent.

« Cheval et Nature » illustre parfaitement votre discipline qui reste peut-être encore un peu confidentielle mais que la pratique sur des sites comme le nôtre permettra de mettre en avant auprès du grand public

Dosage harmonieux des conditions physiques et mentales du couple formé par le cavalier et son cheval l'endurance n'est qu'une fonction naturelle réglementée de ce dernier suivie par des contrôles vétérinaires obligatoires pour le bien être équin. Comme ils aimeraient le faire en pleine nature je suis certain que vos chevaux aimeront galoper dans ce lieu enchanteur et que vous chers cavaliers et cavalières pourrez dire en repartant : « je n'ai peut-être pas gagné Verrie mais j'ai terminé en ayant pris du plaisir ».

Eric TOURON
Président de L'EQUESTRE
